2.1.	Introduction
	[WSCSB] Wintrip Sub-Con Sdn Bhd is an oil palm estates developer and manager of Besrichas Sdn Bhd [BSB]; and
	WSCSB has prominent presence in Serian District, Serian. The business model adopted by WSCSB to develop all its
	estates in the Serian District is through a "KONTRAK TANAMAN," translated as "PLANTING CONTRACT;" an agreement
	which is mutually and legally enforceable by both parties to the Contract [NCR Landowners & WSCSB]. Prior to signing
	the "KONTRAK TANAMAN," WSCSB had obtained FPIC [free and prior informed consent] from the NCR Landowners on
	use of land for planting. Tenure of the "KONTRAK TANAMAN" is 60 years [deemed as 2 planting cycle for oil palm
	cultivation].
	BSB was established in 2011. Its location [in relation to other nearby town & administrative centres] is about 19 km from
	Serian Town and 54 km from WSCSB HQ Kuching City respectively.
	BSB currently conduct its daily activities at its site office and the premise is well equipped with satellite communication
	facilities, diesel skid tank, loading ramp, weighbridges, fertilizer, chemical, schedule waste stores, water storage tanks
	and staff and workers housing.
	In all, BSB is a fully functioning oil palm estate operation.
